Letters A-Z • Numbers 1-10 • Picture play

My name: _____

Welcome to KG1!

A playful English activity book for early kindergarten learners. Work together and let each child progress at their own pace.

Read, talk and point

Read the instructions aloud. Name pictures together. Accept spoken answers and pointing before expecting written answers.

Make small steps

Choose one or two activities at a time. Repeat favourite pages. Letter pages introduce A-Z; they are not a one-sitting lesson.

Model before tracing

Trace with a finger first. Model one stroke at a time from the green dots. The letter practice uses uppercase print; lowercase letters appear for recognition.

Count real things too

Touch each picture once while counting. Ten-frames show two rows of five. Try the same ideas with toys or fingers.

Listen and encourage

Say the picture names clearly for sound activities. Rhyming and clapping are oral games. Celebrate effort, curiosity and growing confidence.

You will need: pencils, crayons and a helpful grown-up.
