My First NURSERY Activity Book

Prepared by: Ms. Amina Qatan 2026

Look • Match • Trace • Count • Colour

This book belongs to: _____

Little steps. Lots of discovery.

An English activity book for nursery learners, approximately ages 3-5. Share it with a parent, carer or teacher.

1 Start with a conversation

Read each short instruction aloud. Name the pictures together. Children can point, say, draw or make a mark.

2 Keep practice playful

Try one activity at a time. Repeat favourites and stop when your child is ready for a break. Praise effort and ideas.

3 Trace together

Follow each path with a finger first. For letters and numbers, model one stroke at a time, starting at the green dots.

4 Make it their own

Use chunky crayons or pencils. Accept developing marks and colouring. Adults may write names or record spoken answers.

Inside this book
